---

The game needs Android Emulator to be installed and running to get its full working. With the help of BlueStacks, you can enjoy the game on the emulator. Game Features: The main feature of the game is to keep the order of the balls by tapping on it and also to let the balls collide to avoid the collision of the balls. The player must keep the ball in the floor and avoid the collision with the walls, some of the walls are safe. Once the balls touch the wall, they will be destroyed and the player will be given points. The ball can be broken into three fragments. The player can make use of three balls to make them collide together and get a better score. The player can play the game for longer time, but the player has to pay to win. Platform: BlueStacks App Player (It's a Android emulator) Before the download of the game, please make sure to download the Android Emulator properly Download BlueStacks App Player How To Play BlueStacks Games? Download the Game with the BlueStacks App Player Open the App Player and click on the Install button. Search for the APK file of the game. Click on the install button and it will be installed in the App Player. Once the Game is installed, you can start playing the game with the help of the BlueStacks App Player. Game Controls: Tap on the tile to let the ball fall on that tile. Click on the wall to let the ball bounce back to the side. The ball will be kept safe if the player touches on it before any other ball touches it. The player has to keep the ball on the floor and if the player taps on the floor, the ball will start falling to the other direction. The player can break the ball into 3 fragments if the ball is tapped more than once. The player can switch the balls and use one of the three balls to break the wall and tap on the floor to let the ball fall into the other direction. The game ends once the player breaks all the balls. The player can keep the ball by tapping on it once it is hit by the other balls. If the ball is struck by other balls the player will lose the ball. If the ball is tapped only once and still struck by other balls the player will lose the ball 82157476af
